## MEALS for the WINTER SHELTER

**Lunch:** lunch bags can be dropped at the shelter the night before and we will distribute them the following day. We suggest including in the bag: a sandwich, a small bag of chips/snack and a piece of fruit. We will distribute also water/small juices provided but they don't need to be included in the bag. We expect to distribute 60 bags per day.

**Dinner:** a delicious meal provided by you will be served at the shelter, usually from 6 to 8 PM. The meal should be hot when you arrive and ready to be distributed to the 70 guests we expect. A complete meal should include: a hot entree, vegetables, a salad, bread (optional), a dessert or fruit. Juice and soft drinks are always appreciated. we provide plates, cups, cutlery, serving tools and sanitation materials.

We are collecting donations for **breakfast** basics too.
